Principal's News

Dear parents,

St. Ailbe had a very fun weekend! To all that came out to the parade, thank you for representing St. Ailbe in such a joyful way! The rain left, and the fun kept going! Those of you that made it out to the football game, I heard it was so much fun with so much food while tailgating! Being able to represent the school out in the community is a great way to show St. Ailbe in a wonderful light. I appreciate that more and more families are helping to spread the word.

This week coming, starts the YMCA Gym & Swim program for 5th-8th grade students. We are so excited to begin, the girls will swim first and the boys next semester. If you have not completed the Gym & Swim Information form, please sign and return it to the school. Without the signed form, your student will not be able participate in the Gym & Swim Program.

The Student/Parent Handbooks are being sent home today with an updated calendar. St. Ailbe has many opportunities to get involved and partake in volunteering during this school year. Keep checking the website for important dates that will be added throughout the year.

I look forward to seeing all of you at Coffee with the Principal tomorrow morning at 8:00 to chat.

This Sunday we will be the first Family Mass of the year and also our first Open House! Come see what your student(s) have been working on this school year so far and learn a little more about their classes after Family Mass at 11:00 a.m. If you have any questions, please contact me at the office.

Thank you for your continued support of St. Ailbe Catholic School!

God bless,

Mrs. Mostyn

Family Mass & Open House

Sunday, September 18th will be our First Family Mass and Open House for the year. Mass begins promptly at 11:00a.m. Please be reminded that Family Mass attendance is required and is part of the final religion grade that's included in the quarter GPA. For more information about our Family Mass policy, please refer to the student/parent handbook.

Open House will follow immediately after Mass. This will give you the opportunity to formally meet with the teachers and get a chance to explore the School's environment!
